

Graysville Elementary School Title I presents:

Family S.T.E.M. Challenge

MONDAY, MARCH 23-FRIDAY, MARCH 27, 2020

Agenda

Due to the closing of schools county-wide, we have adapted our Family S.T.E.M. Challenge night to take place at home over the course of a week, rather than holding the event for one night at the school.

- Families will log on to the school website (<http://ges.catoosa.k12.ga.us>)
- A link to the Family S.T.E.M. Challenge event will be on the home page
- Agenda, S.T.E.M. Challenge handouts, and a Google Form, which will serve as our sign-in and evaluation, and a list of on-line Title I handouts will be linked on the site under Events/S.T.E.M. Challenge Night
- Families will have the option to choose up to 5 different S.T.E.M. Challenges to attempt at home
- Challenge handouts list the items needs to attempt the challenge, instructions on how to proceed with the challenge, the S.T.E.M take away, the GA Standards of Excellence that each Challenge covers, and in some cases, YouTube videos to offer extra assistance
- A link is provided on both the website and within the S.T.E.M. Challenge handouts for families to enter their finding in a Google Form and to email Marissa Watson, GES PIC at mwatson.ges@catoosa.k12.ga.us, photos of their completed challenge
- Families who attempt 2 challenges and complete the Google Form will receive a treat upon returning to school

Handouts linked

- Testing in Georgia
- Components of a Title I Schoolwide Program
- Georgia Standards of Excellence
- How to Communicate with your Child's Teacher
- Policy Trifold
- Input

Thank you for adapting to our newest format for Meetings and Events during this unprecedented time. Your feedback is very important to us, so please take a moment to complete the [Event Evaluation](#) linked in the handout and on the website.
