**Title I**  
**2022 Fall Parent Survey**

An important part of being a Title I school is encouraging parent and family engagement. This quick survey is a great opportunity for you to share what you feel is needed to help families become more involved with their child's education. The information gathered from this survey will be used to help develop our various family resources that will be available to all families in our Family Resource Workroom (room 302). Please complete this short survey by **Tuesday, September 20th**.
